Dear Chia-Li:

Thank you very much for your participation in this year's North Carolina Governor's Conference for Women. No doubt this year's success was achieved with help from your wonderful and informative participation on the *Leveraging Your Power: Work-Wealth-Politics* panel. I know your panel's audience left the conference with new and improved ideas and tools to take back to their own communities and to improve their own lives.

I am so deeply appreciative of everything you did and for all your hard work. It meant so much to have you as part of the conference. North Carolina, the participants, and I are grateful for your commitment and tireless efforts. It was truly an amazing day.

Sincerely,

A handwritten signature in blue ink that reads "Beverly Eaves Perdue".
